Dear Chamber Member,

It is that time of the year again to renew our dues to the Chamber. This past year has been a busy one, but also a rewarding one with wonderful turnouts for the Annual Banquet, the Menudo Festival, and Monthly Meetings. This year the Chamber hopes to be able to do more with the support from Chamber members like you.

Some of the benefits of being a Chamber member are:

- Membership provides opportunities for members to increase customer base, meet with others and have a voice in Chamber events such as Menudo Festival, Christmas Light Tour, and Awards Banquet/Auction.
- The Chamber website features local businesses, supports community events such as Summer Movie Nights, the Cherry Festival, Farmers Market, Grid Kids and provides information about Granger.
- Tourism is encouraged through a full page advertisement in the Yakima Valley Travel Guide and weekly posting of Granger events.
- Membership plaques are available for new members with yearly updates available to continuing members.
