Farmer's Market

The Granger Farmers Market received a grant from Catholic Charities Spokane for setting up a Demonstration Cooking booth. The booth is licensed by Yakima County Health to cook recipes using ingredients from the Market and sample them to the customers walking through. We have done a Rhubarb Crunch, which greatly increased the sales of Rhubarb that day and a veggie stir fry that was delicious and promoted the sales of veggies and leafy greens at the market. Come down and see what is next. We are also able to accept WIC produce vouchers!

The Washington State Market association donated some cookbooks and children's books to give away at Market events over the summer.

GET INVOLVED!

Seeking volunteers to assist with set up and pack up on Market day, and an assistant helper for the Demonstration booth. If you have some time available on Thursdays at either 3:00 or 7:00 pm, or from 4 to 7 we would love to have you! We are also looking for musicians to play during the Farmer's Market times. Contact Roy Cardenas at 509-379-4357 to get involved!
