### *President's Message*

Happy spring everyone! It is great to finally see the ground again and be able to spend time outside. We had a great start to 2019 as a Chamber and we have some great events happening around the community. I would like to encourage you to get out there and support those who are working to make Granger a great place to live and visit.

New this year is our monthly business spotlight. We choose a Chamber member to highlight at our monthly meeting as well as on our website and social media pages. We are very excited to help spread the word about your business.

Our goal is to find ways to support our Chamber members as well as find more ways for members to be involved and connected. If you have ideas we would love to hear them. We appreciate your support and insight.

Spring quarter challenge: Once a month stop by a Granger area business you have not visited previously or in a very long time.
