Community News:

Attention businesses: In an effort to do more to promote business members we are working on a partnership with Granger High School's photography class. The goal is to have students come take pictures of your business and gather current information for us to use on our social media pages.

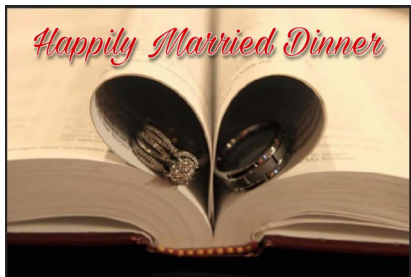

Congratulations: to Robert Cardenas on the Girl's Varsity Basketball position!

President's Note

Happy 2020 everyone! First off, I want to thank everyone for a great year. We had many successful events and found some new ways to serve our community. I hope to continue partnering with businesses and organizations within the area in order to help Granger become even healthier. We are developing ways to better promote the businesses within the Chamber. I am excited for this venture. If you have ideas for helping us do these things I would love to hear from you.
