grangerchamber@gmail.com

Dear Chamber/Community Member,

It is that time of the year again to renew your dues to the Chamber and/or become a new member of the Chamber. This past year has been a busy one, but also a rewarding one with wonderful turnouts for the Online Auction, the Menudo Festival, and Monthly Meetings. This year the Chamber hopes to be able to do more with the support from Community members like you.

Some of the benefits of being a Chamber member are:

- Membership provides opportunities for members to increase customer base, meet with other business owners and have a voice in Chamber events such as Menudo Festival, Christmas Light Tour, and Awards Banquet/Auction.
- The Chamber website features local businesses, supports community and Business events such as Summer Movie Nights, the Cherry Festival, Farmers Market, Grid Kids and provides information about many other events in Granger.
- Tourism is encouraged through a full page advertisement in the Yakima Valley Travel Guide and weekly posting of Granger events on the Chamber website.
- Depending on what membership level the Business chooses, the business name will be on the Granger Chamber website; they will have links to their business on the website; they will have their business advertised on social media throughout the year; they could have a VIP table at the Annual Banquet/Auction; and they could even have a 3X3 sign with their logo, displayed at every Chamber sponsored event.
- Membership plaques are available for new members with yearly updates available to continuing members.
- A portion of dues paid by each member will be placed in the Scholarship fund that provides scholarships for one Granger High School senior graduate.
- **Please see attached document for explanation of new fee structure for 2023 and the benefits of each level of membership.**

2023 Dues

Individual, Business, and Non-Profits of the Chamber shall pay dues as follows:

- Cave Dweller - \$25
